### Launching of the capacity development of service providers for MNH care QI piloting in Kurigram.

As a part of GoB-UNICEF-BMGF initiative, Quality Improvement Secretariat organized a QI workshop event on 24-27<sup>th</sup> October in Savar BRAC CDM, for the managers and the service providers of selected facilities for the Mother baby friendly facility initiative. The objective of the workshop was to develop small PDCA (plan-do-check-act) projects for their individual facilities that they can address and implement.

The workshop was inaugurated by Md Ashadul Islam, Additional Secretary and DG-HEU. On the first day, Dr Aminul Hasan, Deputy Director, HEU and Focal person QIS briefed the participants on tools for 5s practice in their respective facilities. A national pool of facilitators composed of professionals, public health experts facilitated for individual sessions. Mr Ankur Sooden, Senior Improvement Advisor, USAID (ASSIST), URC, India facilitated PDCA sessions alongside the national facilitator's team. Dr Shayema Khorshed, Health Officer UNICEF provided technical support and necessary coordination for the event. At the end of the workshops, the 5 facilities had their individual project on PDCA.
